

UPS Ready™

Shipping made simple

Process more sales in less time with Zoovy 1's
easy-to-use UPS shipping solutions

Zoovy 1 has UPS shipping built-in

Zoovy 1 offers complete online selling tools with fully compatible UPS features. Shipping from leading marketplaces becomes as simple as a few clicks of the mouse with Zoovy 1's powerful UPS support.

Time is money... You save both with these UPS compatible features:

Zero Integration Effort

Simply enable UPS on your Zoovy 1 web site and it will set up automatically.

Faster Shipping With UPS

Airbill Printing

No need to export data with Zoovy 1's automated UPS airbill printing. Print UPS airbills instantly in-house and ship more packages in less time!

Checkout Integration

Seamless integration with major marketplaces, offering UPS as the shipping provider.

Automated Tracking

Zoovy 1 Order Manager stores tracking numbers and completes orders once shipped.

Professional Email Notifications

Order Manager automatically sends email notifications to customers that can be customized to match your company branding.

User Accountability

Zoovy 1 tracks each order by employee that handles it—perfect for creating reports and tracking errors.

Zoovy 1's multi-channel strategy makes it easy to sell numerous products seamlessly from the most popular markets:

- eBay
- Amazon
- Overstock Auctions
- Froogle
- ShopZilla
- Shopping.com
- PriceGrabber
- NexTag
- MySimon
- Smarter.com

Beyond Shipping—with the same solution you get over 600 additional features so you have everything you need to run a profitable online business. Other features include:

- Auction & web store management
- Payment processing with e-Onlinedata
- QuickBooks data integration
- Automated inventory tracking
- Drop shipping with Doba
- AJAX Web 2.0 technology
- CRM wholesale & logistics built-in
- In-house custom design
