endicia™
Internet Postage

Zoovy 1 has Endicia built-in
Print postage easily with Zoovy 1 and Endicia

Endicia built in
Zoovy's full service online business solutions include Endicia's desktop USPS shipping solution. This Zoovy feature allows merchants to print USPS postage in-house, reducing time and support costs.

Enjoy these features of your Endicia integrated Zoovy solution:

USPS Postage Printing
No need to wait in post office lines when you can print official USPS postage directly from your computer onto your mail.

Free Confirmation
With just a click of the mouse, get free delivery confirmations on all Priority Mail and email shipping notifications.

Stealth Postage
Print official USPS postage without revealing the cost of shipping to customers.

Easy Integration
In just a few clicks Endicia integrates with your Zoovy 1 account, syncing all order information.

Zoovy's multi-channel strategy makes it easy to ship products seamlessly from the most popular markets:

- eBay
- Amazon
- Overstock Auctions
- Froogle
- ShopZilla

- Shopping.com
- PriceGrabber
- NexTag
- MySimon
- Smarter.com

Zoovy technology provides over 600 other features so you have everything you need to run a profitable online business. Other features include:

- Auction & web store management
- Payment processing with e-Onlinedata
- QuickBooks data integration
- Automated inventory tracking

- buySAFE bonded transactions
- AJAX Web 2.0 technology
- CRM wholesale & logistics built-in
- In-house custom design
