Budget pricing, fast setup.

Zoovy Basic brings all the power of the Zoovy e-commerce platform into a budget conscious package that allows you to sell online quickly and easily. Choose a free, pre-built design template, add your logo and your store is ready for you to load with products and start selling in record time.

One-time setup fee

Zoovy charges a one-time fee to provision your new account

	Price
One time setup fee	$100

Your success dictates your monthly costs

Zoovy Basic pricing is built around your success, focusing fees on a percentage of your monthly sales while keeping your minimums as low as possible.

	Price
Monthly success fee	2.0%

Unlike other eCommerce solutions, Zoovy Basic does not charge success fees on the shipping or tax applied to your sales.

Account minimums

Minimum account charges are based on the functionality you decide to build in to your Zoovy Basic account, so you never pay more than you need to for your monthly minimum.

	Price
Zoovy Basic account minimum fee (per month)	$39

You can add and remove the functionality you require with Zoovy Basic bundles. Each bundle has its' own monthly cost which adds to the standard account minimum. Additional feature bundles available are:

Prices per month added to minimum	Price
Zoovy Warehouse Manager	$32
CRM	$32
Ebay	$32
Supply Chain	$32
Wholesale	$32
Shipping	$64
Amazon	$32

Our fee policy - either/or, never both

We at Zoovy believe your monthly costs should be determined by your success.
Your monthly costs will be *EITHER* your monthly minimum *OR* 2.0% of your gross sales, whichever is greater - **you will never pay both fees**.
