Ship easily with FedEx® & Zoovy 1

Process more sales in less time

Zoovy 1 has FedEx shipping built-in

Zoovy 1 is a complete set of online selling tools with FedEx compatibility built-in. Shipping becomes as simple as a few clicks of a mouse with Zoovy 1's powerful FedEx support, allowing you to offer FedEx shipping at leading marketplaces like eBay.

Zoovy 1 features a full range of FedEx Compatible options:

FedEx Airbill Printing

Zoovy 1's automated airbill printing eliminates the need to export data. You can print FedEx airbills instantly and ship more packages in less time!

Customer Notification & Tracking

Zoovy 1 Order Manager automatically stores tracking numbers and sends professionally branded notification emails directly to the customer.

FedEx Scale Support

Install easily with single-click scale setup for all popular FedEx models.

Checkout Integration

Zoovy 1 provides seamless integration with eBay and other major marketplaces, allowing you to automatically offer FedEx as the shipping provider.

User Accountability

Zoovy 1 Order Manager tracks order by employee that handles it, so it's easy to create reports and prevent errors.

Shipping Calculator

Checkout is quick & simple with the FedEx compatible shipping calculator.
